## THROUGH GATHERS TO PAY TRIBUTE TO THE PIONEERS

In memory of those who blazed the trail for the thousands who are now enjoying the benefits of the lovely Saanich Peninsula close on 2,000 persons assembled at the Agricultural Grounds, Saanichton, on Saturday to witness the opening of the "Memorial Log Cabin."

Grouped around the entrance to the cabin the crowds first of all listened to the opening remarks of President Alex. McDonald when he set forth the ideals and objects of the Saanich Pioneer Society, and as Premier Tolmie took his stand on the steps of the new building a hearty ovation arose, then absolute quiet reigned over the large gathering. In a few happy and reminiscent remarks the premier, himself a member of one of the oldest families of the island, declared the building open.

In his address Premier Tolmie referred to the labors of the "first settlers," who built up the civilization which we now enjoy, and urged upon the young people to carry on the work in the same spirit of co-operation and good-fellowship so much in evidence in the years of settlement. Continuing, Premier Tolmie appealed to both young and old to profit from the opportunities on every hand, and in the spirit of the pioneers, go forward to build on the same firm foundations lives and communities that will withstand all, lifting high our social and economic structure.

The rain, which fell in torrents throughout the entire morning, failed to dampen the spirits of the participants, though in a measure it interfered sadly with the plans of entertainment and kept at home a large number of the older members of the district.

On the platform of the Memorial Log Cabin were representatives of many Island pioneer families, and seated at the place of honor on either side of the entrance were Mrs. Horth and Mrs. McKenzie, two of the oldest residents of the Peninsula.

In its setting amongst the lovely evergreens the log cabin will hold the relics and documents of earlier days, thus ever keeping fresh the memories of the heroic efforts put forth by the first pioneers.

A gay maypole dance put on by the North Saanich Brownies with Miss Elizabeth Macdonald in charge, followed the opening ceremony, then came the feature item of the whole

afternoon's program, "the parade of old fashioned gowns." The young girls, as they passed through the door of the cabin, mounted a large platform, from which the display was quite easily visible by the whole gathering. Those taking part in this were Miss Dulcie Brethour, the Misses Elizabeth, Jean and Catherine Macdonald, Miss Hazel Lamont, Miss Barbara Payne, Miss Geraldine Hillman, Miss Bessie Turgoose, Miss Glenys Jones and Miss Loretta Pope.

A very pleasing incident took place when two of the Brownies, dressed in dainty gowns, presented Mrs. Horth and Mrs. McKenzie with lovely old fashioned bouquets.

This section of the afternoon's program was arranged under the capable convener'ship of Mrs. Douglas Macdonald.

Throughout the afternoon the crowds took part in the varied sports program, which included novel races, horseshoe throwing, nail-driving contests and many other outdoor sports.

The three softball games of the day were followed with interest by a large crowd of spectators and resulted in the following:

Girls of North Saanich District vs. "Hawzuzzers"—19-17 in favor of the latter.

Girls of North Saanich District vs. Victoria girls—38-15 in favor of the local girls.

Men of North Saanich District vs. men of South Saanich—13-3 in favor of North Saanich.

Mr. "Manny" Simpson acted as umpire throughout the day.

In spite of the damp grounds and none too warm atmosphere groups of picnickers enjoyed supper in real old fashioned picnic style, while many patronized the tea room and attractive booths.

The big day's celebrations concluded with an old time dance in the Agricultural Hall in the evening when the large crowd stepped out the old time quadrilles, minuets, polkas and waltzes.

We understand that July the First will be made the annual date by the Saanich Pioneer Society for a grand get-together picnic and sports day. These affairs were carried on for approximately 30 years without a break and now after a lapse of a number of years it is planned to celebrate annually on the First of July. May next year's big time be unmarred by rain is our earnest wish!

## W. A. STACEY IS CANDIDATE FOR TRUSTEE

Saturday evening, July 5th, the annual ratepayers' meeting in the various school districts take place.

In the Sidney school district the meeting will be held in the school building paralleling Fourth Street, commencing at 7:30 p.m. sharp.

All ratepayers should make an effort to attend and take an interest in the proceedings. A keen interest in school affairs designates a live community. The children of today are the citizens of tomorrow and a great deal depends on the school days of the future men and women.

The School Board is made up of three trustees, one being elected each year for a term of three years. This year Mr. J. E. McNeil's term expires and he informs the Review that he is not standing for re-election. Mr. J. Duff and Mr. Roy Brethour are the other two members of the board, the former has one year to go and the latter two years, to complete their respective terms in office. The trustees appoint their own secretary, at present Mr. Duff is holding that position — but the trustees say, if they so desire, appoint an outside party to carry out the duties of a secretary, the outsider of course having no vote at trustee meetings. We make this explanation in answer to a number of enquiries concerning same.

Every person who pays a school tax, and the wife or husband of such a person is entitled to vote at this annual meeting.

To fill the vacancy when Mr. McNeil retires at Saturday's meeting, a number of ratepayers have approached Mr. Stacey, who has consented to stand, and we publish herewith a statement issued by Mr. Stacey.

To The Taxpayers,  
The Sidney School District,  
Sidney, B.C.

Ladies and Gentlemen:

In a few days you will be called upon to elect a School Trustee.

I have the honour of being requested to stand for this position.

I do not have to hesitate a second in accepting — because, for several years, it has been my ambition to represent you on the School Board.

Children, sports, playgrounds and Sidney, I am greatly interested in. Children properly supervised and trained in sports become good healthy citizens — and their studies become a pleasure to them.

Of course sports are not the only thing at school! A large amount of money is expended each year in salaries, upkeep of school, etc. These payments should be very carefully checked over to see that we get the very best possible results for our expenditure.

If I am successful at the election, my object will be to see these principles properly carried out.

Soliciting your support and assuring you of my careful attention to your interests, I am,

Yours faithfully,

W. A. STACEY

Practically every citizen of the Sidney school district, in fact of the entire North Saanich district, knows W. A. Stacey as plain "Bill" Stacey. They know the tremendous amount of enthusiasm and work he has put into their Memorial Park, tackling a job that would have halted many a less determined man. They remember how Bill set his heart on getting the corps revolving to erect a cairn in honor of this district's fallen in the late great war. Tennis players, in particular, know how Bill put his shoulder to the wheel to help see that the project of building the courts was really put over. Therefore, the Review believes that Mr. Stacey will make an ideal school trustee and to make his election unanimous would, in our opinion, show our appreciation and confidence in his integrity. Even we make it unanimous Saturday evening to you! Ratepayers, it is up to you!

## TENNIS DANCE HUGE SUCCESS

Entering into the holiday spirit the large crowd of young people which assembled at the Deep Cove Hall on Saturday evening made the North Saanich Tennis Club's dance one of the most successful of the season.

Ival Henderson and his orchestra were up-to-the-minute in dance steps and the hours before midnight were filled with joyous activity.

The usual dainty refreshments were served to guests at midnight.

## SCHOOL CLOSURES WITH HAPPY DAY AT 'FARM'

With books and many other such articles safely out of sight at home, Sidney School pupils of the three lower divisions spent a happy day at the Experimental Station on Friday.

Leaving from the school in private car and truck pupils, teachers and a number of parents arrived at the "Farm" in time for lunch, which was partaken of from the long tables in the park.

Sports of all kinds filled up the hours of the afternoon. The events included foot races, jumping and novelty races, which were participated in by all present.

Two important items of the day and which constituted half the picnic to some of the children, were a peanut scramble and the usual large helpings of ice cream received by each.

About 6 o'clock, tired but happy in the memory of their big day, pupils were returned to their various homes.

## Mission Work In Japan Explained At Pender

By Review Representative  
PENDER ISLAND, July 5.—The closing social meeting of the United Church Women's Missionary Society was held on Wednesday afternoon at the home of Mrs. W. B. Johnston. Some 16 ladies were present and enjoyed the program in celebration of the Japanese Jubilee of Missions. A very interesting outline of mission work in Japan was given by Mrs. Alexander, after which the ladies had the pleasure of becoming acquainted with the Presbyterian priest, Mrs. H. J. Armitage, who had come out from Victoria for the day. Mrs. Armitage spoke of her work as president and then gave some very interesting and appealing accounts of the work of the society in different parts of the province. A very hearty vote of thanks was extended Mrs. Armitage and Mrs. Alexander by Mrs. S. P. Corbett, president of the local auxiliary, on behalf of the members.

Following adjournment the hostess served tea, and a bright social time was spent for the remaining hour, during which time the mite-boxes were opened.

## MAYNE

By Review Representative

Sports were held on Mrs. Naylor's park grounds Friday, June 30th, in the afternoon, for the school children of Mayne Island, which were much enjoyed, and a nice tea served to them after.

Dominion Day was a great disappointment to all. It rained so hard all the morning that the idea of going over to Galiano for their annual sports had to be abandoned.

Mr. Jack Borradaile and a friend are taking a party of boys camping over to Salt Spring Island for a week. About 20 are expected to go with him.

## Private School Closes With Fine Program

Mrs. Schilling's private school held a most delightful breaking-up party on Friday, June 30th, when a large gathering of parents and friends were present.

Throughout the program the clear diction of the children showed the excellent training received and the unaffected naturalness was greatly appreciated.

The two plays, "I May Do As I please" and "La Gateau de Marguerite" were very excellently produced and acted. The French play particularly deserved praise for the clearness and purity of accent.

The program also included many short selections.

After the presentation of prizes, which was carried out by Rev. T. M. Hughes, Mrs. Schilling was presented with a lovely basket of roses from her pupils, in appreciation of her efforts. Tea was served at the conclusion of the program.

On Sunday next the Duncan Native Sons will journey to Fulford to play the return match with Fulford.

About 60 attended the combined schools' (Isabella Point and Burgoyne Bay) breaking up picnic on Friday, which was held at the head of Burgoyne Bay, and proved an enjoyable outing. May, had provided a treasure hunt for the children, which caused a great deal of amusement.

Miss Florence Mollett, of the staff of the Royal Jubilee Hospital, Victoria, arrived at Fulford last week, where she is the guest of her parents, Mr. and Mrs. A. J. Mollett, for two weeks.

## Flannels, Sweaters and Sport Outfits

Hand in hand with the summer season is the vogue of sports' clothes. Of course, a hard game of golf or tennis dulls their freshness but with New Method's careful attention they will rapidly be restored to the fresh shapely smartness they had when new.

**Marooned**  
-- no telephone

The Hudsons now realize how poor old Robinson Crusoe felt when he was shipwrecked on an island—cut off from the rest of the world.

For the Hudsons have no telephone. Gone are the friendly chats over the wires and the invitations that used to come by telephone. Links with so many friends have been severed that the members of the family feel isolated.

They've been "marooned" long enough, they've decided. They're going to have a telephone installed.

## Sky Line Hiking in the Rockies

Organized trail hiking in the Canadian Rockies will be inaugurated for the coming year by a hike slated to start at Lake Louise on August 4th. An increasing interest is being taken in trail hiking in the Canadian Rockies, and a committee consisting chiefly of experienced members of the Trail Riders of the Canadian Rockies and the Alpine Club of Canada, has undertaken the organization of a new order called the Sky Line Trail Hikers.

The inaugural hike will start this summer on August 4th from Lake Louise and tramp over the Saddleback through Paradise Valley and over Sentinel Pass to Moraine Lake, where the first night's camp will be made. On Saturday, August 5th, the party will hike from Moraine Lake over Wenkchemna and Opabin Passes and will have the thrill of crossing two glaciers before arriving

at Lake O'Hara. On Sunday the hikers will be able to take in the magnificent scenery around Lake Macarthur, Lake Oesa, and Mount Odaray, and members of the party will be able to enjoy the excellent fishing in Lake O'Hara. The Pow-Wow will be held on Monday, August 6th, after which the members will hike to Wapta and catch the evening train back to Lake Louise.

The magnificent scenery of the Canadian Rockies and the pure joy of achievement, together with the comforts assured by the arrangements made by the Canadian Pacific Railway make this one of the finest and most healthful of holiday outings.

## LOCAL MILL WILL OPEN THURSDAY

Literally speaking things will start "buzzing" at the Sidney Lumber Co. Limited on Thursday, July 6th, when after a close-down of some five or six months' duration, the sawmill will again send forth the sound of a giant bee's buzz! This buzz will be a welcome sound to local people and it is hoped that same will denote that business is on the upgrade and prices for the manufactured products are such that a profit on the operations can be made — thus bringing back the big smile of former days to the mill owner and workers alike.

New boilers, various necessary repairs and a giant dredge at work in the boom pond indicate that something is doing in the near future — and that's no spoofing either. Thursday is the day. Some hundred or more men will start back at work!

## FUNERAL FOR WM. McLEAN

Funeral service for the late William McLean, of Patricia Bay, who passed away on Thursday, July 5th, was held on Monday afternoon at Holy Trinity Church, Rev. T. M. Hughes officiating.

Many beautiful floral tributes covered the casket and a large number of friends gathered to pay their last tribute. The 23rd Psalm and the hymns "Through All the Changing Scenes of Life" and "Jesus Lives! No Longer Now Can Thy Terrors Death Appal Us" were sung. Mrs. B. Deacon was at the organ and during the service the following were played: "Oh Rest in the Lord," Chopin's "Funeral March" and the "Dead March in Saul."

The pallbearers were J. W. Maynard, F. M. Stoughton, R. R. Roberts, W. T. Sisson, P. D. Ahler and H. L. Witherby. The remains were laid to rest in Holy Trinity churchyard at Patricia Bay.

The deceased, who was in his 78th year, was born in Osnaburgh, Ontario, and had been a resident of this province for the past 26 years. He is survived by his widow and two daughters, Mrs. Wilfred Sadler, of Vancouver, and Mrs. Charles Miralbo, of Hartford, Conn.

## TRACK AND FIELD MEET ON FRIDAY

The weather, which seems to have altered the plans of a great many groups and individuals during the past week, put off the instruction in track and field events which was to have been held at the Memorial Park on Friday evening.

Interested persons are asked to note that all plans will be carried out this Friday evening instead. This most worthwhile endeavor is being fostered by a group of interested parties who are anxious to see the young people of the district take a more keen and lively part in sports and with the training and instruction being offered it will no doubt mean a great deal towards a real advancement.

Track meets will be held Saturday, July 29th and Sunday, September 9th, and will be open to all residents of the Saanich Peninsula and the Gulf Islands.

Interested persons are asked to meet Chuck Cunningham, the trainer, at the local park, on Friday.
